Subject Sanctioning allowance to the Department

Ref G O No CI-R/G-49-5 dated 25-2-1949 1R

Sanctioning the grant of the Municipal to make a sum of Rs 500/- at the credit of the Department for expenditure in connection with entertainment of visiting guests but it does not appear that Council could be an agent only to Heads of Districts

---

The above Government Order was issued with a view to enable the Municipal to incur all expenditure in connection with visits of outside guests to Mysore and vice versa But it has not been appropriate upon to use since the word 'entertainment' has been construed to be applicable to occasions to whom ceremonial like a Civic Reception or dinners would be contemplated It has been the experience of late that people from all parts of India on outside all the important occasions it happens on the President to meet them or to have them with him for a short talk over tea on the lawn It has become difficult to get the expenditure in respect of such occasions as for example reception or action of courtesies has to be taken in the usual course of things by the Commissioner himself To avoid multiplied correspondence over such

all things so to such expenditure as incurred by the President himself the Council have approved of the proposal to place the sum of Rs 500/- as subsidy allowance as contemplated in Government order under reference for expenditure in connection with certain requests in general as explained above To make the above order applicable as stated above we have resolved to approve of the proposal to delete the word 'distinguished' occurring in the Government Order

I enclose a copy of the resolution in request that order of Government may in due be obtained in this behalf and communicated
